

## HANDOUT 2.2.4 – Your Turn

---

### Learning Progression Review

**Directions:** Examine the learning progressions (Handouts 2.2.1, 2.2.2, and 2.2.3). Answer the following questions to guide your thinking about learning progressions.

1. What are the key features of the progressions? (e.g., time-span, granularity, purpose)

2. Which type of progression from the examples would be the most useful in your situation?

3. Which elements of the progressions would be important to include for your content area?

# Module 2

4. How do learning progressions support the process of formative assessment?
